

## **COVID-19 NOTICE**

**For the safety of our patrons and staff, we strive to be COVID-19 compliant, and require adequate face coverings, 6 feet of distance between patrons, and appropriate hand hygiene. If you happen to see that another patron is not complying, please report this to staff at the Reference Desk, rather than arguing with someone about it. A patron who cannot/will not comply with these statewide and countywide safety and health requirements will not be able to utilize the Law Library until further notice.**
